		1. 2. 3. 4.				☐ ☐ ☐ ☐		

IT'S THE LAW – Manitoba public health orders state that restaurants must collect contact information from all patrons for COVID-19 contact tracing. In addition, restaurants must take reasonable measures, like asking patrons to sign a declaration that they all live together or by checking IDs, to ensure that all persons seated at a table in a restaurant reside at the same residence.

*Your signature is a declaration that you reside at the same household as the other members of your party.
