Dear Mr. Capotosto:

Re: CHURCHILL RIVER DIVERSION RENEWAL APPLICATION

Manitoba Hydro hereby applies for a renewal of the Churchill River Diversion Licence under the provisions set out in subsection 46(1) of the Water Power Regulation, Man Reg 25/88R. This renewal application falls within the specified two-year period of “not less than four nor more than six years prior to the termination” of the licence, which expires on September 1, 2026.

Manitoba Hydro continues to meet the requirements of the Final Licence and undertakes to comply with all laws, regulations and special requests from the Director or Minister and reports on compliance annually. Manitoba Hydro and Manitoba Environment, Climate and Parks have a common understanding of compliance with the Churchill River Diversion Water Power Act Final Licence as outlined in the Licence Implementation Guide.

Should you have any inquires on this matter or additional process requirements, please contact me at 204-360-3018.

Yours truly,

W.V. Penner, P. Eng.
