
Berens River

Community Status

Berens River Community adjoins the independent Berens River Reserve. The community lies on provincial Crown Land. All information in this report refers to the non-treaty community unless otherwise noted.

Berens River is located along the eastern shore of Lake Winnipeg at the mouth of the Berens River. It is about 292 kilometres north of Winnipeg by air. The area is part of the Precambrian Shield region of Manitoba. A large part of the region is quite flat and well forested while the balance is rock outcrops and marsh. There are currently only winter road, barge and air linkages to the community.

Berens River has been governed by a mayor and council under *The Northern Affairs Act* since June 1970.

Emergency Services

Fire

There is no fire department.

Police

The Selkirk RCMP Detachment respond to (204) 382-2436. Temporary detention facilities are in the RCMP trailer in the community. It may be used until RCMP personnel arrive.

Medical

Medical response is provided by the staff of the federal nursing station located on the reserve. Serious cases will be airlifted to Winnipeg under the Northern Patient Transportation Program.

Community-based Services

Airstrip

Manitoba Transportation and Government Services, Northern Airports operate a 2,900'x75' crushed rock strip with terminal building and remote controlled lighting on the edge of the community. Highways Office is located in Winnipeg, phone (204) 945-3421, or the Berens River Airport Manager, phone (204) 382-2021 or fax (204) 382 -2342.

Hydro

Manitoba Hydro provides land line electric power, with limited emergency diesel power. Residential rates are:

Basic charge	\$ 6.85 /month
First 900 kWh	6.25 cents/KWH
Balance	6.30 cents/KWH

Hydro phone 1-888-MBHYDRO (1-888-624-9376).

Telephone

MTS Allstream Inc., provides individual line service and digital switching with toll-free calling to Little Grand Rapids and Poplar River. Call MTS toll-free at (204) 225-5687.

Water

Two basic water supply systems have been installed in the community to provide potable water to the community on both sides of Berens River. Water pumped from Lake Winnipeg is filtered, chlorinated and distributed to pressurised standpipes. Some homes on the south side are directly connected to the distribution system. The reserve water system is independent of the community system.

Waste Disposal

Solid waste disposal is trucked to a disposal site on the reserve.

Sewage is hauled by pump-out truck to a sewage lagoon, located on the reserve, north of the river.

Schools

Frontier School Division operates the Berens River School. It is a consolidated school for both community and reserve students, and is located on reserve land. The principal supervises 23 teachers and eight or more support staff. Phone (204) 382-2153.

Recreation Facilities

- Arena
- Community hall
