

WASTE MANAGEMENT FACILITY PERMIT LISTING

Disclaimer

This is a record listing of the waste management facilities on file with Manitoba Sustainable Development. This is not an exhaustive list and purchasers of properties adjacent to or in proximity to a waste management facility should conduct further site investigations before purchasing.

If you are seeking further information on a specific facility, an Environmental File Search is recommended to confirm the information Manitoba Sustainable Development maintains on file.

If abandoned or closed landfills are not in this record listing, please contact the Solid Waste Management Coordinator below to add to the record listing for future use:
