

The “Baccoon” isn’t real, but **rabies** is.

Protect your family and pets.

Stay away from skunks, foxes, bats, and other wildlife.

Report potential human exposures from animals suspected of having rabies to Health Links – Info Santé at 204-788-8200 (in Winnipeg), or toll-free at 1-888-315-9257 (outside of Winnipeg). Wash any bite or scratch wounds with soap and water and seek medical attention.

Avoid contact with wild animals and be sure to vaccinate pets and livestock against rabies. To report an animal-to-animal exposure to rabies, contact Manitoba Agriculture at 204-470-1108.
