The Animal Care Appeal Board will consist of six members (the *Act* allows up to 10 members) appointed by the Lieutenant Governor in Council (LGIC). The board will have a chair and vice-chair designated by the LGIC. A quorum of the board is three members, of whom one must be the chairperson or the vice-chairperson or another member of the appeal board appointed by the chair to preside.

The board will hear appeals in panels of three as assigned by the board Chair. The process for determining the composition of panels will be established by the board through its Rules of Procedure to enable flexibility to ensure that Panels can be established in a timely manner.

Length of Terms:

A member continues to hold office until he or she is reappointed, the appointment is revoked or until successors are appointed. No term of office is specified in the *Act*.

There is no formal educational requirement; however, potential board members should demonstrate knowledge of issues relating to animal welfare. Knowledge of the Animal Care Act and the Animal Care Regulations, and a farming background or animal welfare expertise is desirable.
