Manitoba Transportation and Infrastructure's 511 - comprised of manitoba511.ca, the Manitoba 511 mobile app, and the 511 phone system – has relaunched with enhanced map features, navigation functionalities, customized notifications, and more!

## **GETTING STARTED:**

• Visit http://manitoba511.ca/ or download the mobile app, which is available for Apple and Android devices through the App Store and Google Play.

## SAVE AND CUSTOMIZE ROUTES:

 Create a new Manitoba 511 account to save your favorite routes, receive customized alerts, and to get notifications on traffic incidents and road closures.

## SAVE TRAFFIC CAMERAS:

• With a Manitoba 511 account, you can now save your favorite traffic cameras to instantly view what is happening on the road in real-time.

## **IMPROVED USER EXPERIENCE:**

- The mobile app has a new look with enhanced features and menu selections!
- With intuitive and easy-to-use menus, you can easily enter Drive Mode or even call 511 directly from the app. Drivers can also view current traffic and weather conditions, incidents, cameras, and more!
