

PROVINCE OF MANITOBA

Public Sector Compensation Disclosure

For the year ended March 31, 2025

2025

GOVERNMENT OF THE PROVINCE OF MANITOBA

SCHEDULE OF PUBLIC SECTOR COMPENSATION PAYMENTS OF
\$85,000 OR MORE

For the year ended March 31, 2025

INDEPENDENT AUDITOR'S REPORT

To the Legislative Assembly of Manitoba

Opinion

We have audited the schedule of public sector compensation payments of \$85,000 or more of the Province of Manitoba for the year ended March 31, 2025 ("the schedule").

In our opinion, the financial information in the schedule of the Province for the year ended March 31, 2025 is prepared, in all material respects, in accordance with Section 2 of *The Public Sector Compensation Disclosure Act*.

Basis for opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Schedule* section of our report. We are independent of the Province in accordance with the ethical requirements in Canada that are relevant to our audit of the schedule, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of matter: basis of accounting

We draw attention to the Basis of Presentation to the schedule, which describes the basis of accounting. The schedule is prepared to assist the Province to meet the requirements of Section 2 of *The Public Sector Compensation Disclosure Act*. As a result, the schedule may not be suitable for another purpose. Our opinion is not modified in respect of this matter.

Responsibilities of management and those charged with governance for the schedule

Management is responsible for the preparation of this schedule in accordance with Section 2 of *The Public Sector Compensation Disclosure Act* and for such internal control as management determines is necessary to enable the preparation of the schedule that is free from material misstatement, whether due to fraud or error.

Those charged with governance are responsible for overseeing the Province's financial reporting process.

Auditor's responsibilities for the audit of the schedule

Our objectives are to obtain reasonable assurance about whether the schedule is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial information.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the schedule, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Province's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

BASIS OF PRESENTATION

1. The Province of Manitoba's Public Sector Compensation Disclosure lists employees of Government Departments, the Legislative Assembly and of the Special Operating Agencies who received compensation of \$85,000 or more during the April 1, 2024 to March 31, 2025 fiscal year. Amounts reported are calculated in accordance with The Public Sector Compensation Disclosure Act, which is chapter P265 of the Continuing Consolidation of the Statutes of Manitoba. This Act requires the inclusion of payments defined in the Act as "compensation". Per the Act "compensation" means compensation pursuant to any arrangement, including an employment contract, calculated to include the total value of all cash and non-cash salary or payments, allowances, bonuses, severance, commissions and perquisites, and other exceptional benefits not provided to the majority of employees. The amounts therefore do not include payments made or benefits accrued in relation to pension plans.
2. The primary payroll system used by the Government also provides payroll services to certain Government organizations whose compensation information is not included in this report.
 - a. When employees of Government Departments are seconded to these organizations using the payroll system to transfer the costs, their compensation is included in the report of the organization to which they were seconded.
 - b. When employees of these organizations are seconded to Government Departments using the payroll system to transfer the costs, their compensation is included in the report of the Department to which they were seconded.
3. Interchange agreements (interchange) are the temporary assignment of regular employees to work with the Government of Canada, another province, municipality or other public sector organization whose employees are not paid through the Government's primary payroll system or vice versa. When employees of Government Departments participate in an interchange, their compensation is included in the report of the Department where they were employed prior to the interchange. When employees of another Government entity participate in an interchange to a Government Department, their compensation is not included in this report.
4. When employees have been employed in one or more Department or Special Operating Agency during the year, the compensation is reported under the Department or Special Operating Agency that is indicated as the source of funds for the employee's position as at March 31st. The classification used in this report is based on the information available at March 31st and would not reflect changes in classification occurring after that date.
5. The Government uses the Canada Revenue Agency's criteria to determine whether an individual is a self-employed contractor or an employee of the Government. Individuals deemed to be employees are included in this report, whereas contractors receiving payments of \$50,000 or more are reported in the unaudited Statement of Consolidated Fund Payments in Excess of \$50,000 to Corporations, Firms, Individuals, Other Governments and Government Agencies.
