IMPORTANT PAYMENT INFORMATION

Successful applicants must pay for all licences prior to the deadline of July 15, 2025. Licence payments are processed separately. For example, if there are two (2) applicants on your application, you will see two (2) separate licence payments.

As the group leader (first person on application), if you do not see payments made for all the licences on your application by July 1, 2025, it is your responsibility to contact your party members so they can call the help desk @ 1-877-880-1203 to make payment.

All customers should be able to see their licences on their profiles after June 21, 2025, if payment has been successfully processed.

Payments not made by July 15, 2025, will result in your licence(s) being removed from your profile(s) and you will lose your hunting opportunity. These licences are not able to be reinstated on removed from your profile.

General Information About Manitoba Resident Draws

Draw Order

There are three (3) separate draw programs for Manitoba residents/landowners. All Manitoba draws will be executed on **June 21st** in the following order:

1. The **Elk Landowner Draw (ELD)** will be held first for MB resident elk hunting licences.
2. The **Big Game Elk Draw** is processed second for MB resident elk hunting licenses.
3. The **Big Game Moose Draw** will take place last for MB resident moose licences.

Important Notes

- Hunters can apply for all three draws if they choose, though it is not necessary.
- Only one application is allowed for each of the three draws.
- Applicants can only be successful in one of the three draws.
- Each draw application (Big Game Elk, Big Game Moose and Elk Landowner Draw) is applied for and purchased separately.
- Hunters who are successful in any one draw will have additional applications removed from subsequent draws as only one licence can be awarded in each year.
- Priority levels for the Big Game Elk Draw, Big Game Moose Draw and Elk Landowner Draw are independent of each other.
- You should only enter draws in which you are prepared to purchase the license.
- Exchanges and/or refunds are not allowed.

How To Apply

There are three (3) ways you can apply for a draw licence:

1. **Online** - Using your customer account www.manitobaelicensing.ca/licensing.page.
2. **Call Centre** – Open: 8am - 9pm, 7 days per week. [1-877-880-1203](tel:1-877-880-1203).
3. **District Office** – Subject to operational restrictions. Must call in advance ([see page 22](#))

Elk Landowner Draw – Who Can Apply

Landowners & Land Requirements

The first applicant must be a **Manitoba Resident** and **registered landowner** of one-quarter section (145 acres) of land within the Game Hunting Area(s) for which they apply. Some long-term landowners, pre-1996, with less than one quarter section but more than 80 acres may be eligible to apply for a licence. Call [1-800-214-6497](tel:1-800-214-6497) for further details regarding this exception.

Manitoba Resident:

A Manitoba Resident is defined as *a person whose primary residence is in Manitoba and who has lived in Manitoba for at least six consecutive months during the 12-month period immediately before the person applies for a licence or permit.*

Number of Licences

A person's name may appear on only one Elk Landowner Draw application (online). Residents of Manitoba may hold only one of the following licences:

- draw elk
- draw elk archery
- draw elk landowner
- draw moose
- draw moose archery

Hunter Education Certificate (HEC)

Applicants must possess and be able to produce a valid HEC if requested by an officer. Please ensure that your HEC is registered on your elicencing profile.

Spouse of Landowners

A landowner's spouse may apply for and be issued a licence and game tag, provided that the registered owner does not apply for such a licence.

Corporations, Directors & Shareholders

A Director of a Corporation that owns land in the applicable Game Hunting Area(s) may exercise the rights of a registered landowner, with the exception that the spouse of a Director may not apply in place of the Director. Lands that are owned by corporations must supply a current listing of shareholders each year.

Multiple Landowners

Where a landholding is owned by multiple registered owners, the number of owners who can apply is limited by the total size of the landholding within the Game Hunting Area. For each additional registered landowner applying, the holding must contain an additional one quarter section of land. Each quarter section of land must be a minimum of 145 acres. For example, land held by four registered owners must total at least four (4) quarter sections within the Game Hunting Area for all four owners to be eligible.

For joint, partnership, or corporate ownerships, all registered landowners' names must be listed for each hunting season choice/land on the **Declaration Form**.

Each landowner applying for a license must submit a **separate Declaration of Lands Owned Form and proof of ownership documents to be eligible**.

Youth

Any youth applying for the draw must be at least 12 years old at the time of the application. Youth hunting provisions for shared bag options are extended to include all draw licences, and the same qualifications and privileges apply.

Youth of any age may accompany parents or other mentors who wish to introduce them to hunting, however youth under the age of 12 cannot hunt big game animals.

Applying as a Pair (Immediate Family Members Only)

Once the Declaration of Lands Owned Form and proof of ownership records are approved, landowners may add an immediate family member as a hunting partner during the application process (online).

An **immediate family member** is a spouse, child, parent, grandchild, grandparent, brother, or sister of the first applicant. **It is not necessary to have a second applicant on an ELD application.**

An application with two applicants is entered into the draw system at the least favourable personal priority level of both applicants.

Successful applicants who have applied as a pair will not be awarded a separate game tag. The registered owner will share one game tag with their hunting partner. Each hunter will have their own licence.

Priority Levels

The Elk Landowner Draw is processed randomly and sequentially based on each applicant's priority level and hunting season choice(s).

Each applicant entering the draw will have a priority level between 1 and 10. Your priority level will determine your odds of success.

- First-time applicants will be assigned a personal priority level of Level 8.
- Level 1 has the highest probability for success.
- Level 10 has the lowest probability for success.

All Level 1 applicants are processed first. Priority level two applicants are processed second and so forth, until all available licenses have been awarded for each Hunting Season Choice.

Personal priority levels will improve one level in the following year for each draw year that an applicant is not awarded a draw licence. For example, if an applicant entered this year's draw at a priority level 8, and is unsuccessful, their priority level will advance to a Level 7 in the following year. Unsuccessful applicants already at Level 1 will remain at Level 1.

Successful applicants awarded a licence will be assigned to Level 10 next year.

Success is dependent on the total number of applications submitted for each Hunting Season Choice (GHA) in a given year.

Hunters who have applied for the draw do not need to apply every year to advance their priority level for the draw. The Multi-level Draw system will automatically advance their personal priority level each year if their account is not in penalty.

However, to be awarded a licence, an application and payment must be submitted online into the draw in that year.

Priority Levels in Pairs:

An application with two applicants is entered into the draw system at the least favourable personal priority level of both applicants.

How to Apply

The declaration approval and licence application are completed in two (2) separate steps. Applicants must submit a complete the 2025 Declaration of Lands Owned Form with proof of ownership documents before they can apply for the Elk Landowner Draw.

Step 1:

Submit your Declaration of Lands Owned form (with proof of ownership documents) to Vendorinquiries@gov.mb.ca between May 1 and May 15th.

Step 2:

Once your declaration is approved, submit your Draw Application before May 31.

Step 1: Submitting Proof of Ownership and Declaration Form

Where Can I Find This Year's Declaration Form?

An online version of the Declaration of Lands Owned form is available on the Manitoba Wildlife website <https://www.gov.mb.ca/nrnd/fish-wildlife/wildlife/index.html>. Applicants also have the option of printing a paper copy of the declaration form, which can be found on page 21 of the Application Guide. Only the **2025 Declaration form is valid**. Outdated versions of the declaration form will not be accepted.

Submitting Proof of Ownership Documents

In addition to the Declaration of Lands Owned form, landowners will have to supply annual documented proof that the landowner owns the lands declared. Proof will be required through tax records and/or land title records. A Manitoba Status of Title, Property Tax records, or a Property Assessment Notice, showing registered ownership, title, or crown land lease agreement are all acceptable forms of documentation. Proof of ownership documents must be current (i.e. from the most recent assessment).

Submitting Supporting Documents for Directors & Shareholders

Lands that are owned by corporations will have to supply a current **listing of shareholders**. Shareholders can provide a copy of the corporation's annual return, a status of the corporation from the Companies Office, and/or a Director and shareholder register from the corporation's minute book. Supporting documents must be submitted to Vendorinquiries@gov.mb.ca by the deadline of May 15th.

Completing the Declaration of Lands Owned Form

For each Declaration, complete in the spaces provided:

- Applicant surname, first name and middle int
- Applicant customer Identification number
- Landowner surname, first name and middle int=
- Mailing address and postal code
- **Nearest district office** where land is located
- **Hunting Season Choice(s)**
- Legal description of lands owned
- Number of acres per title
- Date and type of property ownership
- **Names of all owners, including yours**
- Signature and date of applicant/landowner

The land listed on the declaration must be within a game hunting area listed on the chart. Do not list lands that do not meet this qualification.

Selecting The Nearest District Office on the Declaration Form:

You must select the correct District Office to review your declaration. Selecting the incorrect office may result in delays of your application being available online. Please review District Office map on page 22 to determine the nearest office.

Selecting Your Hunting Season Choice(s) (HSC):

Every year, the Wildlife Branch establishes the Hunting Season Choices for the Elk Landowner Draw based on Game Hunting Area, season date, bag limit (per game tag) and number of licences/game tags available.

Licences are awarded in licence and game tag combinations as described for each Hunting Season Choice listed on the website <https://www.gov.mb.ca/nrnd/fish-wildlife/wildlife/index.html>. A current list of the Hunting Season Choices can also be found on the Elk Landowner Chart (page 10).

Using the Elk Landowner Draw Chart determine the Hunting Season Choice(s) (**letter/number** combination) you wish to hunt in. A draw licence is valid only in the area(s) and hunting season(s) for which it is issued and, in the case of an Elk Landowner Draw Licence, only on land owned by the landowner. All lands listed must be owned by the first applicant.

Hunters may see low-flying aircraft while hunting. Every effort will be made to minimize the disturbance to hunters. (LE6)

Please ensure you write the correct Hunting Season Choice (not the GHA) when submitting your declaration form and applying online, as HSCs cannot be changed. For customers purchasing their application through the call centre, please provide the Call Centre Representative with the correct Hunting Season Choice (not the GHA) when applying.

Manitoba Elk Landowner Draw

Depending on eligibility, landowners can apply for up-to two (2) hunting seasons choices, though it is not necessary. One choice is sufficient. You should only make choices you are prepared to accept because exchanges and/or refunds are not permitted.

Hunting Season Closures

If a decision has been made to close a season before the draw is run, an application will be processed as follows:

If the closed HSC was the only choice on the application, the application is removed from the draw and all monies, except the administration fee of \$4.50, are refunded.

If there were other HSCs on the application, the closed season is removed, and the other HSCs are valid for the purposes of entering the application in the draw.

Type of Ownership/ Listing Names of All Owners

The Declaration of Lands Owned Form must list all landowners for the land chosen as the Hunting Season Choice, including the owner.

For joint, partnership, or corporate ownerships, all registered landowners' names must be listed for each hunting season choice/land on the Declaration Form.

Each landowner applying for a license must submit a separate Declaration of Lands Owned Form and proof of ownership documents to be eligible. Listing other landowners/partners on an individual declaration form does not qualify them for the draw.

Please ensure that all information required on the declaration is complete and the declaration form is signed. An application may be rejected if the information on the Declaration of Lands Owned form is incorrect, missing or invalid.

Where Can I Send the Completed Declaration Form?

All documents (including proof of ownership documents and/or a listing of shareholders) must be emailed to VendorInquiries@gov.mb.ca by **May 15 (11:59)** for verification. **Do not send the declaration form and your proof of ownership documents to any other email address. Please attach all documents in one email.**

It is the responsibility of the applicant(s) to ensure all required documentation is complete and submitted prior to the deadlines. It is recommended that applicants submit their Declaration of Lands Owned form and proof of ownership early. Do not resend documents as duplicate submissions may cause delays.

How Will I Know If My Declaration Form Was Received?

Following the receipt of your Declaration of Lands Owned and proof of ownership documents, an automated response email will be sent to your email address. This email is not confirmation that the **correct** information and documents were received. If you have not received the automatic reply, please check your junk mail.

How Will I know If My Declaration of Lands Owned Was Approved?

Your Declaration of Lands Owned and proof of ownership documents must be approved first prior to your Elk Landowner Draw Application becoming available on your online elicensing account.

Please allow 10 business days for the declaration review process to be completed. The review process does not begin until May 1; therefore, your application will not be approved or appear on your profile before **May 14**.

Once it is determined that all information is correct and your declaration has been approved, your **Elk Landowner Draw Application** (not the license) will appear on your profile for you to complete and purchase.

Due to the volume of declarations, we are unable to respond to individual inquiries and notify landowners when your application is open or verify receipt of declaration. It is the landowner's responsibility to check your profile to access your landowner application.

If more than ten (10) business days have passed since you submitted your declaration form and you are unable to apply for the Elk Landowner Draw through your online elicensing profile, please contact the Manitoba eLicensing Unit at **1-800-214-6497** to follow up on the status of your application before the application deadline date.

Manitoba Elk Landowner Draw

Step 1 - How to Submit the Declaration of Lands Owned Form and Proof of Ownership:

- The **Declaration of Lands Owned Form** can be found on page 21, or by clicking on the following link: https://www.gov.mb.ca/nrnd/fish-wildlife/pubs/fish_wildlife/hunting/landownerelk_declaration.pdf.
- Once you have completed the Declaration of Lands Owned, please email the attached document and your proof of ownership to VendorInquiries@gov.mb.ca. If you do not have a scanner, fax your documents to 204-945-2474.

After you have emailed the form to

VendorInquiries@gov.mb.ca, you will receive an automated email confirming receipt of this document. If you have not received the automatic reply, please check your junk mail. If you have not received a confirmation email, please call 1-800-214-6497 to confirm receipt.

- The approval process is performed through the Conservation Officer Service District Office.
- It is important that you check off the correct District Office on the Declaration form. If you select the incorrect District Office, this will delay the approval process and may result in your Declaration of Lands Owned form missing the **May 15** deadline.
- The review process takes 10 business days and does not begin until May 1, so your application will not appear prior to May 14.
- Once the Elk Landowner Draw Declaration is approved, your application will become available for you to complete and submit through your online elicensing account.

Payment Details & Draw Result Notifications

Application Payment (May 31 Deadline)

Only Visa and MasterCard payments are accepted through the elicensing website and must be on the applicant's profile upon submission. Payments will appear on your credit card statement as RAO MB Licensing.

A non-refundable \$7.00 application fee applies for each applicant included on the application. In addition to the application fee, there is a non-refundable \$4.50 administration fee.

Any online application with 2 (two) hunters, is considered 1 (one) application with two applicants.

One Applicant = \$7.00 + \$4.50 = \$11.50
Two Applicants = \$7.00 x 2 applicants + \$4.50 = \$18.50

The draw application **deadline is May 31 at 11:59 pm**. Applications must be submitted by this date and time. **You should only enter draws in which you are prepared to purchase the license. Exchanges and/or refunds are not allowed.**

Notification of Awarded Licence (June 21)

A notification email for each draw will be sent **by June 21** if your application was unsuccessful or removed.

If you do not receive a notification email, check your account to see that you were successful for a draw and that licence payment(s) are completed for all licences. **It is up to each applicant to ensure that your email is current.**

If you have not received the results by **June 24**:

- Check your spam, bulk or junk folder to locate the notification email.
- Verify that the email listed on your elicensing account is correct. It is up to each applicant to ensure that the email on their profile is current and accurate.
- If you are still unable to locate the results email, it is the applicant's responsibility to contact the eLicensing Unit before the licence payment deadline of **July 15**.
vendorinquiries@gov.mb.ca or call 204-945-6784.

License Payment (July 15 Deadline)

If an application is successful in securing a draw licence(s) on **June 21st**, then the **first applicant or group leader** will be charged for each licence issued with that application, plus the \$4.50 administration fee for each licence.

One Licence = \$57.25 + \$4.50 = \$61.75

Two Licences = \$114.50 + \$9.00 = \$123.50

Total licence fees include 5% G.S.T. A portion of the fee is for wildlife conservation as well as a \$4.50 administration fee. **Each licence is individually processed.**

As the group leader (first person on application), if you do not see payments made for all the licences on your credit card by July 1, 2025, it is your responsibility to contact your party member so they can call the help desk @ 1-877-880-1203 to make payment.

All customers should be able to see their licences on their profiles after June 12, 2025, if payment has been successfully processed.

Payments not made by July 15, 2025, will result in your licence(s) being removed from your profile(s) and you will lose your hunting opportunity. These licences are not able to be reinstated once removed from your profile.

If your successful application had 2 (two) applicants listed, you will see 2 (two) charges on your credit card as each awarded licence payment is processed separately.

Please check your statements to ensure payment was processed correctly. Payment must be made by the credit card on file by **July 15**.

It is the responsibility of the applicant to ensure payment is processed before the payment deadline of July 15.

Late or Non-Payment of Awarded Licence(s)

***Failure to complete payment by July 15 will result in the licence(s) being cancelled and penalty status will be placed on the account of all applicants on that application.

Penalty status will result in all future hunting and angling privileges being suspended. Any other hunting and angling purchases after this date will be unable to be processed until the outstanding licence fees are paid and penalty status removed.****

Once the license(s) are cancelled they will be removed from your customer profile and cannot be reissued. It is your responsibility to ensure that your payment can be processed.

Mailing of Awarded Licences and Game Tags

Once payment has been processed, all license(s), and game tag(s) are mailed together to the group leader's mailing address on file. This can take up to 4 business weeks from the license purchase date.

Anticipate your licence(s) and game tags will be delivered by August 14, 2025

If Canada Post is unable to deliver your licence(s) and game tag(s), the items will be likely be returned to our office at 118-1181 Portage Ave, Winnipeg MB and will delay the shipping process by an additional 3-4 weeks.

Items are typically returned to our office by Canada Post if:

- The mailing address is incorrect on the customer's licensing account (i.e. no PO Box # or Suite # provided).
- The addressee has moved without providing a forwarding address.
- The item is refused by the addressee.

Conditions of the Big Game Draw and Licences

Failing to comply with the conditions for a big game hunting licence or making a false statement in an application for such a licence are offences contrary to Section 59 of The Wildlife Act. In addition, a person whose hunting privileges are suspended for all hunting or big game hunting must not apply for or obtain a big game hunting licence.

Applicants who apply as a pair, the successful pair must observe party hunting regulations. Either licensee may hunt alone; however, they must have the game tag on their person.

Any application not completed or not submitted in compliance with the conditions for a draw licence, as set out herein, is invalid and will be rejected from the draw.

Declaration of land ownership forms not completed or not submitted in compliance with the conditions for a draw licence as set out herein is invalid and will be rejected from the draw.

It is the applicant's responsibility to ensure that their mailing address is up to date, correct and complete on their licensing profile. Licences and game tags that are not deliverable are not the department's responsibility.

Licences are not transferable. Unallocated draw licences will not be made available.
