<input checked="" type="checkbox"/> Procedure	
<input checked="" type="checkbox"/> Rate	
<input type="checkbox"/> Information Only	

Effective Date: January 1, 2025

The purpose of this circular is to advise staff of changes to transit fares across Manitoba, specifically in Winnipeg and Brandon.

Winnipeg:

The cost of a regular bus pass for Winnipeg Transit increased from \$111.65 to \$115.50, effective January 1, 2025.

Please see Circular 2016-31 for information on EIA coverage and policy for PEGGO Cards and Circular 2016-32 for information on Adult and Youth Token Fare options.

WINNpass:

Participants who are eligible to receive a monthly bus pass amount, as part of an approved plan, should have the full rate added to their monthly budget. WINNpass offers a monthly bus pass at a reduced rate to participants who are not eligible for monthly transportation costs as part of an approved plan.

Post-Secondary Passes:

Participants attending a post-secondary institution may be eligible for a less expensive post-secondary bus pass. A list of participating institutions can be found on the City of Winnipeg's Transit website at <https://info.winnipegtransit.com/en/fares/say-hello-to-peggo/post-secondary-pass/#institutions>.
