

## Rent Assist Rates for Board and Room

Rent Assist rates are set according to the cost of rental housing in Manitoba, which changes every year. If the cost of rental housing increases, the Rent Assist Supplement for board and room will also go up. If the cost of rental housing goes down or stays the same, the Rent Assist Supplement for board and room will not change.

This adjustment in rates will occur in July each year.

Shelter assistance for board and room situations includes a base rate and a supplement. Effective July 2025, shelter assistance rates for persons in board and room situations will be as follows:

### Board and Room without Care and Supervision

Family Size	Base Rate Board and Room with Relative	Base Rate Board and Room Private	Rent Assist Supplement
<b>1 person (GA ONLY)</b>	\$252	\$331	\$175
<b>1 person</b>	\$252	\$331	\$185
<b>2 persons</b>	\$447	\$526	\$185
