2 Fees include daily non-subsidized fee.

3 Maximum fees apply to all funded spaces.

4 Centre revenue is made up of income from an operating grant and income from parent fees or fee subsidies on behalf of eligible families.

5 Regulation for training requirement effective January 2003.

6 Based on salary analysis of Early Childhood Educator IIs in funded full-time centres.

7 Research from the Childcare Resource and Research Unit at the University of Toronto's Centre for Urban and Community Studies, August 2002, suggests that child care services operated not-for-profit are more likely to deliver higher quality care environments.
