Digital elevation model from NASA Shuttle Radar Topography Mission (SRTM) data
100X vertical exaggeration

Project Number: MGS2010_00

A number line representing distance in kilometres. The line starts at 0 and ends at 30, with major tick marks and labels at 0, 5, 10, 15, and 30. Below the line, the word "kilometres" is written. A black bar is drawn from 0 to 10, and a white bar is drawn from 10 to 15.
