Resolution No. 3: Calling on the Provincial Government to Stop Breaking Its Promises and Provide Better Support for Sexual Assault Survivors through the Sexual Assault Nurse Examiner Program

Thursday, March 2, 2023

WHEREAS in 2018 Manitoba had a rate of more than 113 sexual assault cases for every 100,000 people, which is significantly higher than the national rate; and

WHEREAS this number is likely much higher as the majority of sexual assault cases aren't reported to the police; and

WHEREAS timely access to quality care after a sexual assault is key for survivors to get the support they need and for evidence to be collected so justice can be served; and

WHEREAS the Sexual Assault Nurse Examiner (SANE) program, run out of the Health Sciences Centre in Winnipeg, provides critical support to sexual assault survivors and helps collect evidence for potential prosecution; and

WHEREAS the SANE program only has one full-time nurse and just over a dozen others who are on call to conduct sexual assault examinations in their off hours; and

WHEREAS demand is rising for the SANE program, with 764 sexual assault survivors receiving treatment from April 2022 to January 2023, a nearly 50% increase since 2017-18; and

WHEREAS in April 2022 the Provincial Government promised to spend \$640,000 annually to support the SANE program, hire five additional nurses and a provincial coordinator; and

WHEREAS the Provincial Government has broken all of these promises, thereby contributing to the current staffing crisis and is failing to support sexual assault survivors and SANE nurses; and

WHEREAS the Provincial Government has also failed to provide adequate supports for sexual assault survivors in Northern and rural Manitoba, including children; and

WHEREAS SANE program staffing shortages has resulted in at least 14 sexual assault survivors being sent home with the instruction to not shower or wipe themselves until they return when staff are available to treat them; and

WHEREAS urgent action is needed to fix the SANE program staffing shortage and to ensure that sexual assault survivors are supported with timely access to care; and

WHEREAS the SANE program's staffing shortage is just one example of how the Provincial Government's cuts to Manitoba's healthcare system and frontline health care workers is causing Manitobans harm.

THEREFORE BE IT RESOLVED that the Legislative Assembly of Manitoba urges the Provincial Government to stop breaking its promises to nurses and to provide better supports for sexual assault survivors by expanding support for the Sexual Assault Nurse Examiner Program by ensuring it is properly staffed.
