## **RESOLUTION:**

### **MLA PANKRATZ – 1,255 Net New Healthcare Workers**

**12.** WHEREAS the previous, PC Provincial Government failed Manitobans by firing health-care workers, and closing rural and urban ERs and EMS stations, forcing Manitobans to go out of province for surgery; and

WHEREAS the previous, PC Provincial Government ignored and dismissed health care workers when they raised flags about the state of health care in the province; and

WHEREAS the previous, PC Provincial Government failed to improve health care in northern Manitoba; and

WHEREAS the current Provincial Government made a commitment in Budget 2024 to hire 1,000 net new health-care workers in one year to improve health care and support front-line workers; and

WHEREAS the Provincial Government has followed through on its promise by hiring 1,255 net new health-care workers, resulting in 45 percent less mandatory overtime for WRHA workers; and

WHEREAS the Provincial Government has opened two new minor illness and injury clinics and two extended-hours, primary-care clinics to give Manitoba families more options for care; and

WHEREAS the Provincial Government will add three more extended-hours, primary-care clinics in Winnipeg so more Manitobans can receive the care they need after hours; and

WHEREAS the Provincial Government will continue to improve health care for Manitobans as they age by building new personal-care homes in Lac du Bonnet and Arborg as well as expanding Park Manor Care Home in Transcona; and

WHEREAS the Provincial Government is building a new ER in Eriksdale and at the Victoria General Hospital to bring health care closer to home for every Manitoban; and

WHEREAS the Provincial Government has introduced seven-day-a-week discharges to improve hospital efficiency and get Manitobans the care they need when they need it; and

WHEREAS the Provincial Government is bringing a mobile MRI to the North so residents can receive care closer to their home communities; and

WHEREAS the Provincial Government is investing a record of over \$770 million in new funding for frontline health care staff across the province with nearly 70 per cent of new spending going directly to the front lines.

THEREFORE BE IT RESOLVED that the Legislative Assembly of Manitoba be urged to affirm the important work of the 1,255 net new health-care workers, and to support the continued recruitment of more healthcare workers to improve health care for all Manitobans.
