Use Well (PID) as provided in Wells Table to identify known wells in Spread Field Map(s).

Enter the legal description for each parcel of land on which a well is located – i.e., Sec-Twp-Rge or RL (including parish).

Identify the municipality in which the parcel is located.

Provide description of well location, including GPS coordinates if available. Indicate [Exact] of well coordinates, if provided, as: Exact [<10m - GPS]; Very Accurate [<50m - ortho mapped]; Accurate [50-350m - -within ¼ section]; or Fair [350m-1km -

Identify the source of the data or information provided in description of well location (e.g., Groundwater Management, well drilling contractor, landowner, ...).

Indicate whether well is active, inactive, sealed, abandoned, or status Unknown.

For Groundwater Management’s comments, only.

Provide any further comments necessary to clarify location, nature, or status of well, or to indicate that no well is known at this location.
