

3.8M Truck Climbing Lanes

3.8.3M Best Practices: Warrants

3.8.3.2M Warrants for Two-Lane Roads

The TAC Subsection **3.8.3.2** is applicable to the Department's highways with the following elaboration:

If a truck climbing lane is warranted, it may be considered a candidate for construction. The actual decision to construct such a lane will depend on a thorough examination of the individual site conditions including such factors as costs, priorities, safety, and traffic operations, etc.
