

DESIGNATED RESERVOIR AREA PERMIT APPLICATION

**SCHEDULE A
Form 1
(Section 3)**

Application for Permit in the _____ Reservoir Area

I, _____ of the _____ of
_____ in the Province of Manitoba, apply for a permit to build a

(here describe nature, purpose and size of building or structure)

situated on _____

(give legal description and if the land is not subdivided give accurate location within section)

In making this application I am fully aware that neither The Government of Manitoba, nor any department, branch or agency thereof can forecast or guarantee the level of the water or ice at any time in the reservoir; that the reservoir is primarily operated for downstream water supply, and therefore the water level in the reservoir is subject to wide variation from time to time; and, in consideration of being issued a permit, I agree that I will make no claim against the Government of Manitoba or any department, branch, or agency thereof for any damages or inconvenience caused to me or any property by the fluctuation of the water level in the _____ Reservoir; and I hereby waive all rights, claims, and actions which I may have in that respect against the Government of Manitoba or against any department, branch, or agency thereof.

Dated at _____ in Manitoba, this _____ day of _____ 20_____
