

# Environment Act Licence

Manitoba  
Environment

Licence No. 1572

Issue Date July 7, 1992

In accordance with the Manitoba Environment Act (C.C.S.M. c. E125)

THIS LICENCE IS ISSUED TO:

## The Rural Municipality of Ritchot: "the Licencee"

for the construction and operation of the Development being the R.M. of Ritchot Water Supply Pipeline located on existing road rights of way beginning in the east on the road allowance adjacent to the south boundary of Section 8, Township 7, Range 5 EPM and extending to the southwest corner of that section, northward in the road allowance adjacent to the west boundary of Section 8, Township 7, Range 5 EPM to the north west corner of the section, west in the road allowance adjacent to P.R. 305 to the intersection of P.R. 305 and P.R. 200 and then directly adjacent to the existing Forced Watermain that extends from the noted intersection to Ste. Agathe Manitoba subject to the following specifications, limits, terms and conditions:

### SPECIFICATION, LIMITS, TERMS AND CONDITIONS

- 1) The Licencee shall construct the Development on lands described on the **Rural Municipality of Ritchot Pipeline, Mainline Layout** dated January, 1990 and in accordance with methods outlined in the **Rural Municipality of Ritchot Water Supply Proposal Environmental Impact Statement (EIS)** prepared by J.R. Cousin Consultants Ltd. and submitted to Manitoba Environment as information with the Environment Act Proposal dated March 27, 1992.
- 2) The Licencee shall be restricted by this Licence to using the existing watermain crossing of the Red River and pushing the water pipeline under the Rat River as per the River Crossings section on page V of the EIS. The Licencee shall not undertake any method of stream or river crossing other than that authorized by this Licence without prior approval from the Director.
- 3) The Licencee shall re-establish the profile of any disturbed river or stream banks to pre-construction condition.

/2

- 4) The Licencee shall re-establish the profile, compact, and seed all excavated areas within the Provincial Roads rights-of-way.
- 5) The Licencee shall reseed disturbed areas of natural vegetation with a mixture of native or introduced grasses .
- 6) The Licencee shall not proceed with construction until written evidence has been provided to the Director that a Licence has been obtained from Water Resources Branch, Manitoba Department of Natural Resources pursuant to The Water Rights Act.
- 7) The Licencee shall ensure that the domestic water supply is operated in accordance with Manitoba Regulations under the Public Health Act and all operating requirements as recommended by Manitoba Environment.
- 8) The Licencee shall ensure that all waste oil products generated by the machinery used in the construction of the Development shall be collected and disposed of in accordance with Manitoba Environment requirements.

#### **REVOCATION**

If, in the opinion of the Director, the Licencee has exceeded or is exceeding the specifications, limits, terms or conditions set out herein, the Director may revoke this Licence either temporarily or permanently.

Mr. J. Cousin, P. Eng.  
J.R. Cousin Consultants  
91 A Scurfield Blvd.  
Winnipeg, MB R3Y 1G4

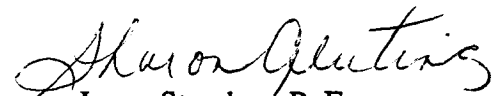

Dear Mr. Cousins:

Enclosed herewith is Environment Act **Revised** Licence No. 1572 dated July 7, 1992 issued in accordance with the Manitoba Environment Act to the Rural Municipality of Ritchot for the construction and operation of a Water Supply Pipeline located on the existing road rights of way beginning in the east on the road allowance adjacent to the south boundary of Section 8, Township 7, Range 5 EPM and extending to the southwest corner of that section, northward in the road allowance adjacent to the west boundary of Section 8, Township 7, Range 5 EPM to the north west corner of the section, west in the road allowance adjacent to P.R. 305 to the intersection of P.R. 305 and P.R. 200 and then directly adjacent to the existing Forced Watermain that extends from the noted intersection to Ste . Agathe, Manitoba.

In addition to the enclosed **Revised** Environment Act Licence requirements, please be informed that all other applicable federal, provincial and municipal regulations and by-laws must be complied with. Revisions to the Licence are made in the Specification, Limit, Terms and conditions 6, 7, & 8 where the word "The Licence" was changed to "The Licencee"

For further information on the administration and application of the Licence, please feel free to contact Mr. Brian Konzelman at 945-7017.

Yours truly,

  
Larry Strachan, P. Eng.  
Director
