Licence No. 2084
Issue Date August 1, 1995

In accordance with the Manitoba Environment Act (C.C.S.M. c. E125)

THIS LICENCE IS ISSUED TO:

THE WHITEMOUTH RIVER PLANNING DISTRICT: "the Licencee"

for the construction and operation of the Development being livestock crossings on tributaries of the Whitemouth River in SW 27-12-11E, SE 1-12-11E and NE 15-10-12E in the Rural Municipality of Whitemouth subject to the following specifications, limits, terms and conditions:

SPECIFICATIONS, LIMITS, TERMS AND CONDITIONS

1. The Licencee shall construct the Development in accordance with The Environment Act Proposal dated May 2, 1995.
2. The Licencee shall notify the Director of Manitoba Environment's Eastern-Interlake Region not less than two weeks prior to beginning construction of the Development.
3. The Licencee shall not construct instream works between April 1 and June 30 of any year.
4. The Licencee shall obtain the advice of the Regional Fisheries Manager of Manitoba Natural Resources respecting design and construction details before proceeding with construction of the instream portions of the Development. A summary of the advice obtained and its incorporation into the design and construction of the Development shall be provided to the Director of Manitoba Environment's Eastern-Interlake Region at the time of notification of the beginning of construction.
5. The Licencee shall ensure that the height of the lowest portion of the surface of each crossing is not greater than 0.3 metres above the normal summer water level in the waterway at that location.
6. The Licencee shall ensure that borrow areas for the construction of the Development are not located within 100 metres of an active stream channel.
7. The Licencee shall, during construction of the Development, ensure that appropriate measures are taken to prevent the entry of riverbank material and sediment due to water erosion into the waterways.
8. The Licencee shall revegetate soil exposed by the construction of the Development with a mixture of native or introduced grasses or legumes.
