Dear Mr. Seymour:

**Re: Environment Act Licence Suspension
Seymourville Wastewater Treatment Lagoon**

This letter acknowledges the request which you submitted on June 7, 2017 to commence discharge of effluent from the secondary cell of the Seymourville wastewater treatment lagoon on June 16, 2017 without meeting the effluent limit for total coliforms specified in Environment Act Licence No. 2714.

I am granting a suspension of Clause 15(c) of Environment Act Licence No. 2714 pursuant to Section 18(1) of The Environment Act which allows you to proceed with the discharge of the secondary cell of the lagoon. The suspension is in effect from June 16, 2017 to June 29, 2017, inclusive for this event.

All other clauses in Environment Act Licence No. 2714 remain in effect.

If you have any questions, please call Heidi Kroeger, Environment Officer in Lac du Bonnet at 1-204-345-1490.

Yours sincerely,

Don Labossiere
Director, Environmental Compliance and Enforcement
