Dear Ms. Zonneveld:

Re: Boeing Canada Operation Ltd – 99 Murray Park Road - Notice of Alteration

Thank you for the Notice of Alteration (NoA) you submitted on March 20, 2013 and additional information provided on April 25, 2013 and May 1, 2013 that indicated the installation of additional paint booth operation and reconstruction of a cure room at Boeing Canada Operation building located at 99 Murray Park Road. It is described that the additional paint booth will be used for painting 787 component assemblies.

I have concluded that the environmental effects from the NoA are insignificant, and, therefore, in accordance with Section 14(2) of *The Environment Act* you are hereby authorized to carry out the alteration as described in the March 20, 2013 NoA and the additional information provided on April 25, 2013 and May 1, 2013.

If you have any questions regarding this matter, please contact Mr. Eshetu Beshada of this office at (204) 945-7023.

Yours truly,
