Dear Ms. Wittman,

RE: Extension Request for Environmental Act License No. 2302 ER

Nisokapawino Forestry Management Corporation (NFMC) is requesting an extension to the terms and conditions of Environmental Act License No. 2302 ER in order to align its expiry date with the date of the extension request made for Canadian Kraft Paper and Nisokapawino Forestry Management Corporations Forest Management License Agreement for FML #2.

The current EAL No. 2302 ER has an expiry date of December 31, 2024. **NFMC is requesting an extension to December 31, 2026**

I've enclosed the formal request made to the Province of Manitoba for a 2 Year extension to our FMLA - **RE: Extension Request for Forest Management License No. 2 (FML # 2) Forest Management License Agreement (FMLA) and Forest Management Plan (FMP)**. This would extend the due date of our new 20 year FMP until the end of June 2025 and allow for additional engagement with rightsholders, stakeholders, and the public.

If you have any questions regarding this matter, please contact me at (204) 623-8510 or by email at Andrew.Forward@niso.ca

Sincerely,

Andrew Forward
General Manager
