Dear Ms. Dagdick:

Re: Environment Act Licence 2302 E R – Canadian Kraft Paper Industries Ltd.

On behalf of Canadian Kraft Paper Industries Ltd and having submitted the Terms of Reference for the development of a new Forest Management Plan to the Director of Forestry, Manitoba Agriculture and Resource Development – Forestry Branch, please accept this as a letter of request to extend the above noted licence.

The existing Forest Management Licence Agreement expires on December 31, 2024, and we ask that you extend the Environment Act Licence 2302 E R to Dec 31, 2024 as well. Aligning them both allows for the new Forest Management Plan to be developed as required and ensures continued operation of the Forest Management Licence.

Thank you for your consideration. Please do not hesitate to contact me at (204) 623 8510 if you have any questions or require additional information.

Sincerely,
