Subject: Addition to FMP amendment
Attachments: FMP Roads Amendment Dec 21'10.pdf

Hi Elise,

As we discussed this afternoon, would you please include the East Arm, Mahigan and Niska Roads into the FMP amendment currently under review. They are classified as secondary all-weather roads. The area that they access was included in the original FMP. Their extent and location is detailed in the attached map.

Call me if you have any questions or require more information.

Thanks,
Mike
