Dear Ms. Wittig:

**Re: Environment Act Licence Suspension
Discharge of Town of Lac du Bonnet Wastewater Treatment Lagoon**

This letter acknowledges the request submitted on November 10, 2017 to extend the discharge period for the release of effluent, from the secondary cell of the Town of Lac du Bonnet wastewater treatment lagoon, beyond October 31, 2017 as specified in Environment Act Licence No. 1826.

I am granting a suspension of clause 10(d) of Environment Act Licence No. 1826 pursuant to Section 18(1) of The Environment Act, which allows you to proceed with the discharge of the secondary cell of the lagoon. The suspension is in effect from November 13, 2017 to November 26, 2017, inclusive for this event.

Please be advised that if weather conditions become unsuitable, discharge must cease, and authorization may be revoked. All other clauses in Environment Act Licence No. 1826 remain in effect.

If you have any questions, please call Diane Oertel, Regional Supervisor in Lac du Bonnet at 204-345-1486.

Yours sincerely,

Don Labossiere
