Dear Ms. Kozak:

Re: Notice of Alteration – Kane Facility (Rural Municipality of Morris)

Thank you for your letter dated July 7, 2016, requesting approval to proceed with upgrades to the existing development including the installation of a 120 tonne granular fertilizer bin and construction of an inload/outload concrete pad.

The Environmental Approvals Branch is processing this request as a minor alteration to Environment Act Licence No. 1963 RRR, pursuant to clause 14(2) of *The Environment Act*. It has been determined that the potential environmental effects from upgrades are insignificant and can be accommodated by the existing limits, terms and conditions of Environment Act Licence No. 1963 RRR.

I hereby grant approval to Crop Production Services (Canada) Inc. to implement the proposed alteration.

If you have any questions on this matter, please contact Ms. Krystal Penner of this office at (204) 945-7107. For any operational issues please contact the Regional Supervisor Tyler Kneeshaw at (204) 239-3608.

Yours sincerely,
