Dear Ms. Dagdick:

The Environment Act License #2601 extension issued to the Mountain Quota Holders Association on July 19, 2012 expires May 31, 2013. (File 5433.00)

Manitoba Conservation and Water Stewardship has approved the MQHA 2013-14 Annual Operating Plan.

The Mountain Quota Holders Association is therefore requesting a one year extension to Environment Act License #2601 to allow continuation of the current forest management agreement with Manitoba Conservation and Water Stewardship for Forest Management Units 12 and 14 within the Mountain Forest Section.

If you have any questions, please give me a call at 734-3089.

Sincerely,

Rick Bobby
Mountain Quota Holders Association
