

## 8.0 Limitations

The information and data contained in this report, including without limitation the results of any sampling and analyses conducted by UMA Engineering Ltd. ("UMA") pursuant to its Agreement with the Client, have been developed or obtained through the exercise of UMA's professional judgement and are set forth to the best of UMA's knowledge, information and belief. Although every effort has been made to confirm that this information is factual, complete and accurate, UMA makes no guarantees or warranties whatsoever, whether express or implied, with respect to such information or data.

UMA shall not by act of issuing this report to be deemed to have represented thereby that any sampling and analyses conducted by it have been exhaustive or will identify all contamination at the site, and persons relying on the results thereof do so at their own risk.

Except as required by law, this report and the information and data contained herein are to be treated as confidential and may be used and relied upon only by the Client, their officers and employees, and others having legitimate business relations with the Client. Any such use and reliance shall be subject to the limitations set forth in the preceding paragraphs.

Respectfully submitted,

**UMA Engineering Ltd.**
