Dear Mr. Dack:

Re: Custom Castings – Notice of Alteration to Licence 3056

Thank you for the Notice of Alteration (NoA) dated May 30, 2018 in which you submitted a plan to decommission and remove a gas fired furnace and relocate sand core production machines. You also indicated that during the core making equipment relocation, the fume hoods will be upgraded. The alterations submitted are as per the plant upgrade schedule for Custom Castings facility:

Upon review of your alteration request, I have concluded that the environmental effects of the NoA will be insignificant, and, therefore, in accordance with Section 14(2) of The Environment Act you are hereby authorized to carry out the proposed alteration as described in the May 30, 2018 NoA.

If you have any questions regarding this matter, please contact Mr. Eshetu Beshada of this office at (204) 945-7023.

Yours sincerely,

Tracey Braun, M.Sc.
