Dear Ms. Johnson:

Re: Dorsey to Portage South Transmission Line – Environment Act Licence No. 3059

Thank you for your letter dated June 13, 2017 requesting an alteration to the towers near the Dorsey Converter Station for the above noted project.

Given that the proposed alteration does not change the right-of-way width and is entirely located on Manitoba Hydro property, the Environmental Approvals Branch is approving this request as a minor alteration to Environment Act Licence No. 3059, pursuant to clause 14(2)(b) of *The Environment Act*.

If you have any questions regarding this matter, please contact Ms. Elise Dagdick of this office at elise.dagdick@gov.mb.ca.

Yours sincerely,
