Re: Request to Cancel Environment Act Licence No. 3082

Dear Director,

I am writing on behalf of Ballycastle Distributors Ltd. to formally request the cancellation of Environment Act Licence No. 3082 for our former kitchen cabinet manufacturing facility located at 815 Dugald Road, Winnipeg, MB.

Following our submitted decommissioning plan dated July 29, 2025, the Environmental Compliance and Enforcement Branch conducted a final site inspection on August 21, 2025. The inspection confirmed that the decommissioning plan has been fully carried out and all equipment has been removed from the premises.

In light of this confirmation, we respectfully request that Environment Act Licence No. 3082 be officially closed.

Should you require any additional information, please feel free to contact me at george@ballycastle.ca or by phone at [your phone number].

Thank you for your attention to this matter.

Sincerely,

George Sapozhnykov
Principal
