Subject: Re: 5721.00 Village of Wawanesa WW Lagoon EAP

Bruce,

As noted in the EAP, there are no public water systems which use either the Souris or Assiniboine Rivers as raw water sources for many miles downstream of the proposed lagoon. As such, Office of Drinking Water has no concerns with this EAP or the proposed development respecting drinking water quality or safety.

If you have any questions, please call.

Regards,

James Stibbard P. Eng.
