Dear Marina Neumann:

Re: Environment Act Licence No. 3122 Cancellation

This letter confirms that Environment Act Licence No. 3122 issued to Exner E-Waste Processing Inc. has been cancelled, and File 5740.00 is now closed.

On July 23, 2025, Exner E-Waste Processing Inc. submitted a decommissioning plan to the Environmental Compliance and Enforcement Branch for its electronic waste processing facility located at 11 Woodstalk Way in the Rural Municipality of Cartier.

Following a site inspection on July 29, 2025, officials confirmed that the decommissioning had been completed and all equipment had been removed from the premises.

As a result, the Environmental Compliance and Enforcement Branch recommended cancellation of the site's licence. This recommendation was formally issued in a letter dated August 14, 2025.

The cancelled licence is publicly accessible on department's public registry at <https://www.gov.mb.ca/sd/eal/registries/index.html>.

If you have any questions regarding this matter, please contact Eshetu Beshada, Senior Environmental Engineer, Environmental Approvals Branch at Eshetu.Beshada@gov.mb.ca or 204-250-1932.

Sincerely,
