

Notice of Environment Act Proposal

Manitoba Sustainable Development has received a proposal pursuant to *The Environment Act* regarding the following operation and invites public participation in the review process:

MAXWELL COLONY FARMS WASTEWATER TREATMENT LAGOON – FILE: 5876.00

Maxwell Hutterian Mutual Corporation has filed a proposal for the construction and operation of a compacted clay lined wastewater treatment lagoon that will be located on River Lot 108 in St. Francois-Xavier Parish of the Rural Municipality of Cartier. Treated wastewater from the wastewater treatment lagoon will be discharged between June 15th and October 31st of any year into the Assiniboine River via the existing Barrickman natural drain. The existing wastewater treatment lagoon that currently serves the Maxwell Colony Farms will be decommissioned.

Anyone likely to be affected by the above operation and who wishes to make a representation either for or against the proposal should contact the Department, in writing or by E-mail (barsha.sagan@gov.mb.ca), not later than MAY 1, 2017. Further information is available from the Public Registries located at: Legislative Library, 200 Vaughan St., Winnipeg; Millennium Public Library, 4th Floor, 251 Donald St., Winnipeg; Online Registry: <http://www.gov.mb.ca/sd/eal/registries/index.html> or by contacting Barsha Sagan, Environmental Engineer at 204-945-5234.

Information submitted in response to this proposal is considered public information and will be made available to the proponent and placed on the public registry established in accordance with Section 17 of *The Environment Act*.
