Transfer Station Operating Permit

Permit No: 49513

Client File: 43574

In accordance with the Waste Management Facilities Regulation, made under The Environment Act, **Tree Suns Towing Inc.** is hereby permitted to operate a **Transfer Station** to be known as the **Tree Suns Transfer Station** situated at **831 Cree Road** in the City of Thompson, Province of Manitoba.

THIS OPERATING PERMIT is subject to being AMENDED, SUSPENDED or REVOKED under section 7 of the Waste Management Facilities Regulation.

THIS OPERATING PERMIT is issued subject to the following TERMS AND CONDITIONS:

General Terms and Operating Conditions

1. This permit expires on October 31, 2022.
2. The Operator shall maintain and operate the **Tree Suns Transfer Station** (the Facility) in accordance with the most current version of the Waste Management Facilities Regulation (M.R. 37/2016) and this Operating Permit.
3. The Operator shall develop an Operations Manual detailing the operation and maintenance for this Facility and keep a copy of both the Operations Manual and this Operating Permit at the Facility or where the Facility is managed.
4. The Operator shall obtain approval in writing from the Environment Officer for any proposed alterations to the facility or changes to the types of materials accepted to the Facility before proceeding with the alteration.

Site Access and Control

5. The Operator shall restrict access to the Facility when site supervision is not provided, with a locked gate, barrier or other system approved in writing by an Environment Officer.

Materials Acceptance and Handling

6. Materials collected for recycling or reuse must be segregated and temporarily stockpiled in designated areas. These areas must be maintained to control weeds, vectors and quality of the materials. The Operator shall have the materials removed regularly or upon the request of an Environment Officer, within the timeframe specified.
7. The Operator shall remove any litter accumulated along the access road and around the perimeter of the site at minimum twice annually or as required by an Environment Officer.
8. The Operator shall dispose of solid waste at a waste disposal ground operating under the authority of a permit issued pursuant to the Waste Management Facilities Regulation 37/2016 or any future amendment thereof, or a licence issued pursuant to The Environment Act.
9. The Operator shall not bury or permanently dispose of any materials at the transfer station.

10. The household waste deposited at the site shall be removed at minimum every 30 days or at a frequency required by an Environment Officer.

Hazardous Wastes

11. The Operator shall collect and dispose of hazardous waste in accordance with The Dangerous Goods Handling and Transportation Act, other Provincial and Federal Regulations.

Environmental Emergency Reporting

12. The Operator shall in the event of an Environmental Accident as defined in The Dangerous Goods Handling and Transportation Act and Regulations thereunder, take all necessary actions to report the spill in accordance with regulatory requirements, contain the spill, manage the impacted environment and restore the environment to the satisfaction of the Director.

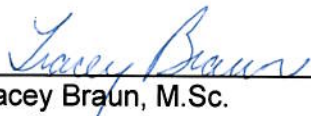

Fire Reporting

13. The Operator shall in the event of a fire which continues in excess of thirty (30) minutes or requires fire suppression assistance from personnel outside of the Facility (e.g., fire department) report the fire by calling (204) 944-4888 (toll free 1-855-944-4888), identifying the type of materials involved and the location of the fire.

Burning of Specified Waste

14. The Operator shall not allow burning at this Facility.
