

Notice of Dangerous Goods Handling and Transportation Act Application

Manitoba Conservation and Climate has received an application pursuant to The Dangerous Goods Handling and Transportation Act regarding the following operation and invites public participation in the review process:

REDONDA HAZARDOUS WASTE FACILITY – FILE: 6046.00

A Dangerous Goods Handling and Transportation Act application has been filed by Tervita Corporation for the operation of a hazardous waste processing and storage facility located at 999 Redonda Street, Lot 1 Plan 29953 WLTO within NE 16-11-04 WPM in the Rural Municipality of Springfield, Manitoba. The material is transported to a licensed facility for further processing, reuse or disposal. All material is transported from this facility and no hazardous waste is disposed of at this location.

Anyone likely to be affected by the above operation and who wishes to comment on the application should contact Andrea Bergman, Environment Officer, in writing or by email to Andrea.Bergman@gov.mb.ca or by telephone at 204-945-4384, not later than APRIL 14, 2020. Further information is available from the Public Registry located at: www.gov.mb.ca/sd/eal/registries/

Information submitted in response to these applications is considered public information and will be made available to the applicant and placed on the public registry.
