Dear Michael Raess:

**Re: Alamos Gold Inc. - Gordon Mine - Environment Act Licence No. 3390 -
Notice of Alteration Approval**

Thank you for your notice of alteration dated October 7, 2025. The department understands you wish to make changes to the development including an adjustment to the open pit footprint, mine site layout, utilizing a historical non-acid generating mine rock storage area for construction borrow material, and removal of the planned diversion ditch.

I approve the alteration per Section 14(2) of The Environment Act on the condition that the licensee shall accept a revised licence for the development reflecting these changes in the near future.

All other clauses of Environment Act Licence No. 3390 remain in effect. This approval is available on the public registry at <https://www.gov.mb.ca/sd/eal/registries/index.html>.

If you have any questions regarding this approval, please contact, Jennifer Winsor, Senior Environmental Engineer, Environmental Approvals Branch at Jennifer.Winsor@gov.mb.ca or 204-945-7012.

For questions relating to the ongoing administration of the licence, please contact Cristal Huculak, Regional Supervisor, Environmental Compliance and Enforcement Branch at EnvCENorth@gov.mb.ca or 204-620-5797.
