Dear James Capotosto:

**RE: Dorsey to Wash'ake Mayzoon (D83W) Environmental Assessment Report**

Enclosed is Manitoba Hydro's application (including one electronic copy and two paper copies-to be delivered within two business days) to Manitoba Environment, Climate, and Parks for approval to construct and operate the 230 kV Dorsey to Wash'ake Mayzoon (D83W) Transmission Line Project.

The enclosed environmental assessment report provides the information requested in the Environment Act Proposal Form and documents the environmental assessment activities, including engagement, leading up to this application.

In closing, should you have any questions or require further information, please do not hesitate to contact me at 204-360-3119.

Regards,
