

Notice of Environment Act Proposal

Manitoba Environment and Climate invites public comment on the following proposal:

Precision Redi-Mix Inc. – Precision Redi-Mix Concrete Batch Plant– FILE: 6189.00

Precision Redi-Mix Inc. filed an Environment Act Proposal to install and operate a Bohringer B-120 concrete batch plant at 17007 27E near the town of Rosa in the Municipality of Emerson-Franklin. The plant will be used for various projects in the southeastern areas of Manitoba. It produces a maximum of 100 m³ of concrete per hour and has tools to manage and control dust emissions.

Anyone likely to be affected by the proposal and who wishes to comment, should contact Eshetu Beshada, Senior Environmental Engineer, in writing or by email at Eshetu.Beshada@gov.mb.ca no later than August 7, 2023. Further information is available from the Public Registry: www.gov.mb.ca/sd/eal/registries

Information submitted in response to this proposal is public and will be available to the proponent and placed on the public registry per Section 17 of The Environment Act.
