

Keep your campfires burning till Thanksgiving

Imagine pitching your tent or parking your trailer on a quilt of autumn colours. Savour this golden opportunity to experience the crisp, clean air and fall colours of autumn in Manitoba. Wildlife viewing opportunities abound as the park animals prepare for winter, and the fishing is always great!

This fall select Manitoba provincial park campgrounds will remain open as late as Thanksgiving.

Every effort is being made to continue services into the fall. Water services may be unavailable at any time following Labour Day. Contact the appropriate district office for up-to-date service information. See reverse for telephone numbers.
