- Be Wildlife Smart. Do not feed any wildlife, including birds or squirrels. You are in black bear country - secure all attractants such as food, cooking equipment and trash in a locked vehicle. Do not store food or attractants in your tent.
- Practice Leave No Trace. Pack out all gear and trash to keep the campsites clean for others.
- Keep dogs on leash and clean up after your pet.
- Learn to recognize and avoid poisonous plants such as poison ivy.
- Open fires are prohibited. Use portable stoves or fire pits provided.
- Don't Move Firewood - Moving firewood can spread harmful invasive species and destroy our forests.
- Prevent the spread of aquatic invasive species. Always clean, drain, dry watercraft and water related equipment. Visit manitoba.ca/stopais for full regulations.
- In case of injury or illness contact a Park Attendant or Park Patrol Officer. They can assist you to reach medical help.
