

WHAT CAN WE DO BETTER?

The Willow Creek
Integrated Watershed
Management Plan

Fraserwood Hall
Fraserwood, Manitoba
Monday, August 10, 2009
7:30 - 9:00 pm

Dear Watershed Residents

The East Interlake Conservation District is developing an Integrated Watershed Management Plan for the Willow Creek Watershed. We are requesting your attendance and participation at our upcoming public consultation meeting.

The plan will set goals, priorities and actions for the East Interlake Conservation District, residents, stakeholders, and all levels of government to address land and water related issues in your watershed.

If you are unable to attend, please consider submitting the enclosed questionnaire.

We look forward to working with you on the development of this watershed management plan.

Sincerely,
Barrie Sigurdson
 Chairman, Willow Creek IWMP

What is the Purpose of the Plan?

- Identify priority land and water related issues in the watershed
- Determine projects or policies targeted at addressing the priority issues
- Discuss how land and water programming can be cooperatively carried out in the watershed

If you live in the Willow Creek Watershed, you are invited to:

Fraserwood Hall
 Fraserwood, Manitoba
 Monday, August 10, 2009
 7:30 - 9:00 pm

Refreshments and snacks will be provided.

We Need Your Input!

This information will be used by the East Interlake Conservation District to develop a watershed management plan for the Willow Creek watershed. If you would prefer to complete this questionnaire online, please visit: www.eicd.ca
